

# PAINT and EMPTY PAINT CANS

## RECYCLING and/or DISPOSAL

### DRIED, SOLID PAINTS

Latex and Oil-Based Paints that are **totally dried and solid** in the can may be disposed of with your household trash at the Convenience/Recycling Center at the Warren County District Landfill.

### LIQUID PAINTS

Latex Paint is no longer accepted. Leaving the lid off or adding cat litter will help in hardening (drying out) the paint. Paint hardener is available for residents (limit 5) at the PCFA Administration Building. May also be purchased at home improvement stores (e.g. Home Depot). Once hardened, it can then be disposed of in the trash.

Oil-Based Paint: Alkyd, Varnish, Polyurethane, Stain, and Sealers **are** hazardous wastes and should be disposed of during Household Hazardous Waste Collection Days; a one-day event held twice a year, in the spring and fall. Call 908-453-2174 for more information

### EMPTY METAL and PLASTIC PAINT CANS

Metal and Plastic latex and oil-based paint cans that are empty should be disposed of in the trash.

The Warren County Recycling Center is **NOW** located at the Warren County Landfill.  
Hours: Monday – Friday 7:00 AM to 4:00 PM, and Saturdays 7:00 AM to 11:00 AM.

The Warren County District Landfill/Convenience/Recycling Center is located off Rt. 31 using the Resource Recovery Facility access road (1 mile South of Rt. 46). Please call for complete directions 908-453-2174. Hours are Monday - Friday 7:00 AM to 4:00 PM and Saturdays 7:00 AM to 11:00 AM.
