CORRESPONDENCE

Mr. Accetturo noted that a thank you letter was received from Dana Crath, a local resident in Oxford basically stating that the HHW event went very smoothly.

Additionally, Dirk Swaneveld , Belvidere School District Superintendent sent a letter to Jeff Long expressing his appreciation for assistance with the disposal of the school district's hazardous chemical reagents.

Mr. Pool wanted to add his thanks to the staff for a great relationship working with the contractor over the years regarding the HHW program.

REPORTS OF STANDING COMMITTEES

Mr. Williams requested Chairman Accetturo to take the agenda out of order and proceed to Finance.

Mr. Accetturo asked for acceptance of the A-8, Resolution allowing PCFA to enter into an Interlocal Agreement with the County of Warren to provide financial services, making Charles (Pete) Houck legal.

Mr. Accetturo moved to accept the agreement, seconded by Ms. Napolitani.

Facilities and Environmental Compliance Committee

Mr. Schulze reported on the following:

- Waste Inspections - 100% of 1,087 truck waste inspections were performed in April, all in compliance.
- Truck Route Inspections - none of the 12 haulers observed were found to be non-compliant.
- Landfill Operations - ran smoothly.
- Landfill Gas Collection and Control System Operations - waiting for parts for flare and their technician to make appropriate computer changes.
- Landfill Gas Sulfur Scrubbing System Update - discussions with GTP regarding change orders for the system; waiting for recommendations from GTP to reduce our operating expenses.
- Landfill Gas to Energy System Update - engines experienced operational problems and running at 80% efficiency; once changes made on flare, we should have enough gas to run 100%.
- Landfill Permit Modification and Closure Plan - currently awaiting approval.
- Landfill Flare Permitting/Compliance - a draft has been received and SCS reviewing. Also comments on the monitoring stations which started March 1st.
- Landfill Sideslope Capping Project Update - construction of the cap has restarted and moving forward. Also, received comments from White Twp. residents stating they are glad to see the plastic go.
- Lined Leachate Lagoon-Liquidated Damages - finished May 5th.

Mr. Chamberlain made a motion to approve Items A - 1 thru A - 6, construction Change Orders minus \$57,000.00. Mr. Accetturo seconded the motion. Mr. Chamberlain suggested Mr. Bell meet with HC Contractors to discuss the final payment.

Personnel Committee

Mr. Pool stated that any matters to be discussed should be done in Executive Session.

Recycling Committee

Mr. Accetturo reported that the Household Hazardous Waste/Electronic & Computer Parts Collection Program on April 22, 2007 was a success. A total of 420 vehicles utilized the hazardous waste program and 512 vehicles utilized the electronics program. Nine box trucks were filled with electronics totaling approximately 95,000 pounds. The electronics program seems to grow with each event that's held. Again, we got that nice letter from Dana Cratch of Oxford expressing his thanks.

Jim Williams stated that the electronics program doubled from last year.

Management Committee

Mr. Pool stated any action necessary would be conducted in Executive Session with appropriate action required in open session.

Item A-14, the Confidentiality Agreement continues to be drafted.

Host Community

Mr. Schulze wanted to reiterate his earlier statement of resident comments on the discarding of the plastic covering the landfill.
